  - A. **Public Hearing on a proposed 15-year license to be issued to CoxCom, Inc. to construct, operate and maintain cable television in the public rights-of-way and proposed amendments to the Town's cable services ordinance (ROBINSON/WENDEL)**
    1. **Staff Report.**

Town Attorney Wendel

      - Youngtown has had a franchise license agreement with Cox Communications since 1993 that ends in March 2010. There is not a lot of change in the agreement. The primary change is to comply with a change in state law with a new definition of gross fees. Customer service and technical service will remain unchanged. Also the new ordinance is 50% shorter. Fees paid to the Town are approximately \$40,000 per year.

Michael Stull, Manager of Government Relations, CoxCom, Inc.

      - The average payment last year was \$9,839 quarterly
    2. **Open Public Hearing.**

Mayor LeVault opened the Public Hearing.

Mike Fehlig, Youngtown resident

      - Cox hires a lot of independent contractors and technicians to do the work for them. My observation of work done at some of my neighbors is that it's shoddy and poorly done.

Mr. Stull

      - I think that is the exception. I have done ride-alongs and have observed that most of our workers do a pretty good job. I would expect that a customer who is not satisfied with the work done should call customer service. If that doesn't resolve the issue, then they should file a complaint with the Town. That way issues will be addressed.
    3. **Close Public Hearing.**

**Mayor LeVault closed the meeting.**

**Announcement of next Work Session and Regular Meeting: Immediately following Public Hearing.**

**Adjournment.**

**There being no further business, Mayor LeVault adjourned the meeting at 6:13 p.m.**
