

## **BUDGET MESSAGE AND OVERVIEW**

To the Honorable Mayor and Members of the Town Council,

It is a pleasure to present to you the Fiscal 2018-19 (FY19) Proposed Budget for your final review and consideration. The FY19 Budget process started out this year in March with the estimates of the FY18 and FY19 revenues and expenditures and departments submitting their FY19 budgetary requests in April. The revenue projections were presented to Council on April 19, 2018.

In April 2017 Council and Town Staff developed the Town's Strategic Goals for the next three years. The Strategic Action Plan establishes a road map for activities and initiatives that will achieve the vision for the Town and will ensure that Youngtown is poised to capitalize on opportunities to advance key initiatives. This plan is a flexible tool to guide and assist with proactive policy development. The achievements resulting from this plan will be enjoyed by current residents and future generations. This plan is designed to highlight key activities in support of stated priorities and goals over a period of three (3) fiscal years. The following are the top five priorities for the Town of Youngtown.

- Fiscal Sustainability
- Infrastructure
- Community Quality of Life
- Town Organization
- Economic Growth

The strategies that to accomplish these priorities or "focus areas" are outlined in the Town's Strategic Plan and an update of the status of accomplishing these priorities through projects was provided to Council at the April 19, 2018 Council Meeting. These guided the budgetary decisions that were incorporated in the FY19 budget.

On Thursday, May 17, 2018 the Town's Department Managers presented the expenditure budget where Council review every department's budget and had the opportunity to ask the City Manager and Manager's any questions they may have. The highlights for the fiscal year 2018-2019 Budget are as follows:

- Appropriation for the equivalent of a 4% of annual salaries that can be used for range of 0-4% adjustment for salary increases
- Pay 100% of employee health insurance
- ASRS increase from 11.50% to 11.80%
- PSPRS liability increase from \$738,479 to \$802,855
- Contingency reserve of 15%, \$556,413 to \$609,387
- Advertisement on Town Vehicle

- Continued development/improvements of Dog Park, Art Commission, Community Garden and Luke Lobbyist efforts
- Additional code enforcement for Agua Fria River Bottom issues
- Commercial parking lot improvements in the amount of \$100,000
- Building Improvements of Town facilities, grounds and equipment for \$180,000
- Park Improvements of \$113,000

The tentative budget for 2018-2019 was presented and approved at the June 7, 2018 council meeting in the amount of \$8,744,402 compared to \$8,205,385 in fiscal year 2017-18 (FY18) or a 6.57% increase. The increase is primarily a result of increases in the general fund for items described on the prior page as well as an increase to the Highway User Revenue Fund for street projects.

The public hearing and final budget adoption is scheduled for Thursday, June 21, 2018 at 5:30PM. The total amount of the final budget is the same as the tentative budget in the amount of \$8,205,385. We have given the Council the opportunity to review the entire proposed budget and address any questions you had.

The Town of Youngtown, like the majority of towns and cities across the Country, are starting to feel a bit of economic relief in the economy. Local sales tax revenues are slightly increasing as well as state shared income taxes, sales taxes and vehicle license taxes. As a result, the Town is comfortable with sustaining a reserve to potentially pay off the unfunded liability from the Public Safety Personnel Retirement System (PSPRS) in the amount of \$802,855 and included 15% of operating expenditures or \$609,387 in contingency reserve for unexpected emergencies or revenue shortfalls. Also included in the budget is an average overall 4% pay adjustment for employees.

The economic outlook for fiscal year 2018-19 continues to be cautiously optimistic, but once again through the leadership of Council and the commitment of the Department Managers the proposed budget is balanced and there is no decrease in the level of service to our Youngtown citizens.

The Mayor and Council not only continue to review the budget for fiscal year 2018-19 but also a 5-year financial forecast for the General and Highway User Revenue Funds to fiscal year 2022-32. This is a strategic look at how decisions made in this year's budget impact the financial status of the Town over the next 5 years. For the Town of Youngtown, due to the leadership of the Mayor and Council, it is good news with a healthy fund balance in the General Fund of \$3 million or more over the next 5 years.

In summary, I would like to take this opportunity to thank the Mayor and Town Council for their guidance and support throughout the development of this proposed budget. With the Town's guidance, and Town's staff's collaborative effort, we were able to bring forward a balanced budget for fiscal year 2018-19.

I would also like to thank all of the Town employees for the tremendous job they do every day in delivering services to the citizens of Youngtown. Special thanks go to the Department Managers for finding ways to continue to deliver quality services with limited resources.

Respectfully submitted,

Jeanne Blackman  
Town Manager

## Courts

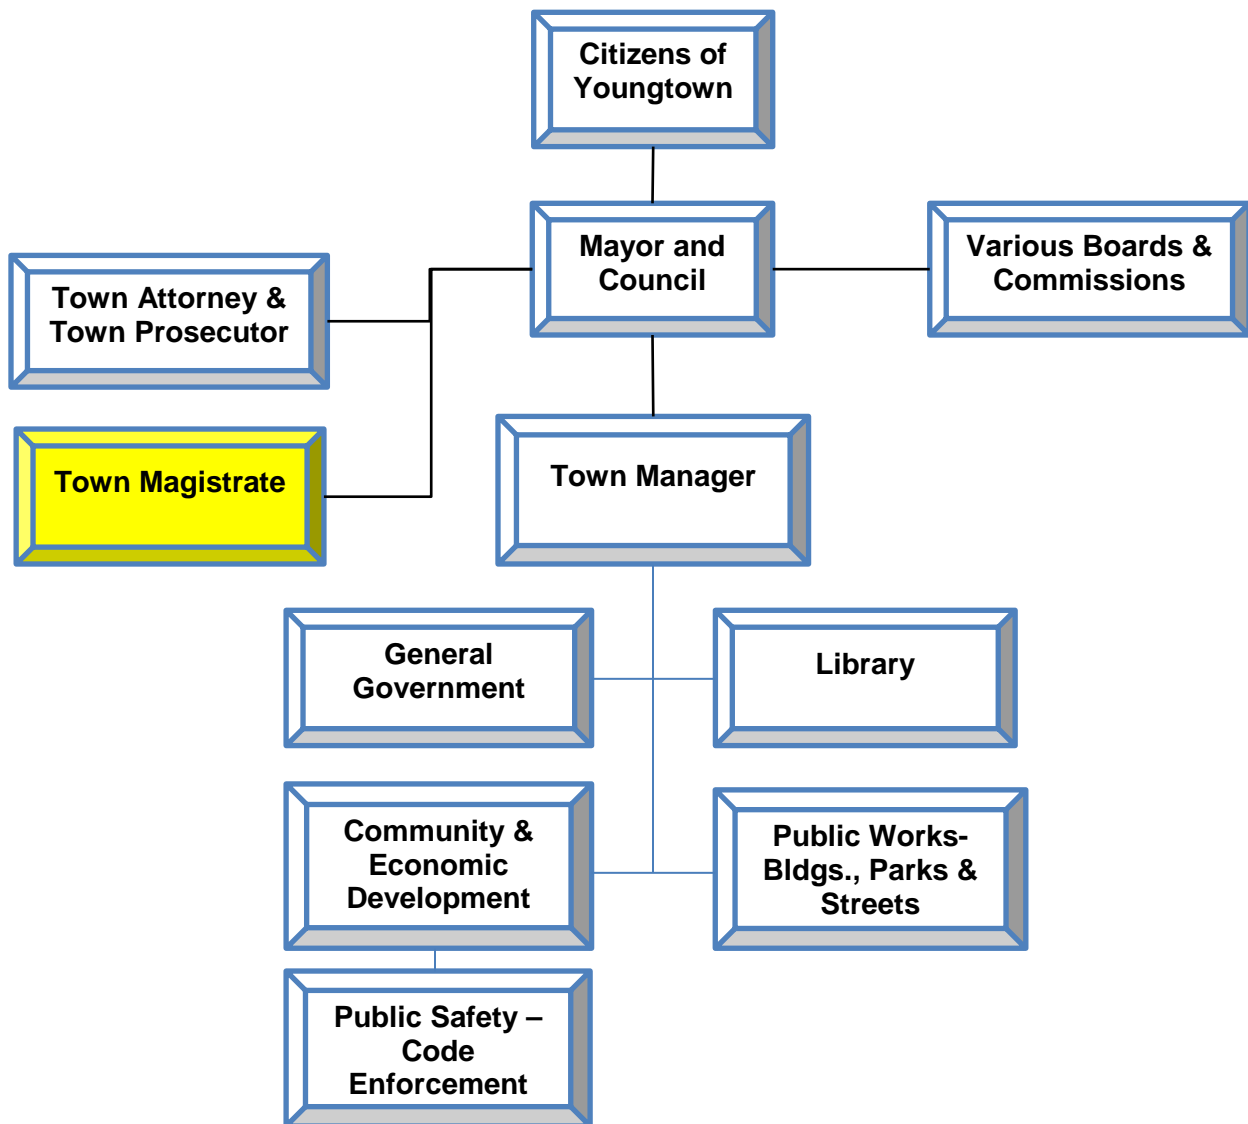

Annual Budget

2018-19

**Youngtown Organizational Chart**

The Youngtown Municipal Court ensures the prompt, fair, and impartial adjudication of all cases; and ensures public confidence in the courts through transparency, accessibility, communication, and education. We maintain awareness of our responsibilities to the Town of Youngtown, the State of Arizona and the United States of America. The Youngtown Municipal Court judge is appointed by the Mayor and Council. There is also a Court Administrator and one Judicial Assistant.

## Building Safety

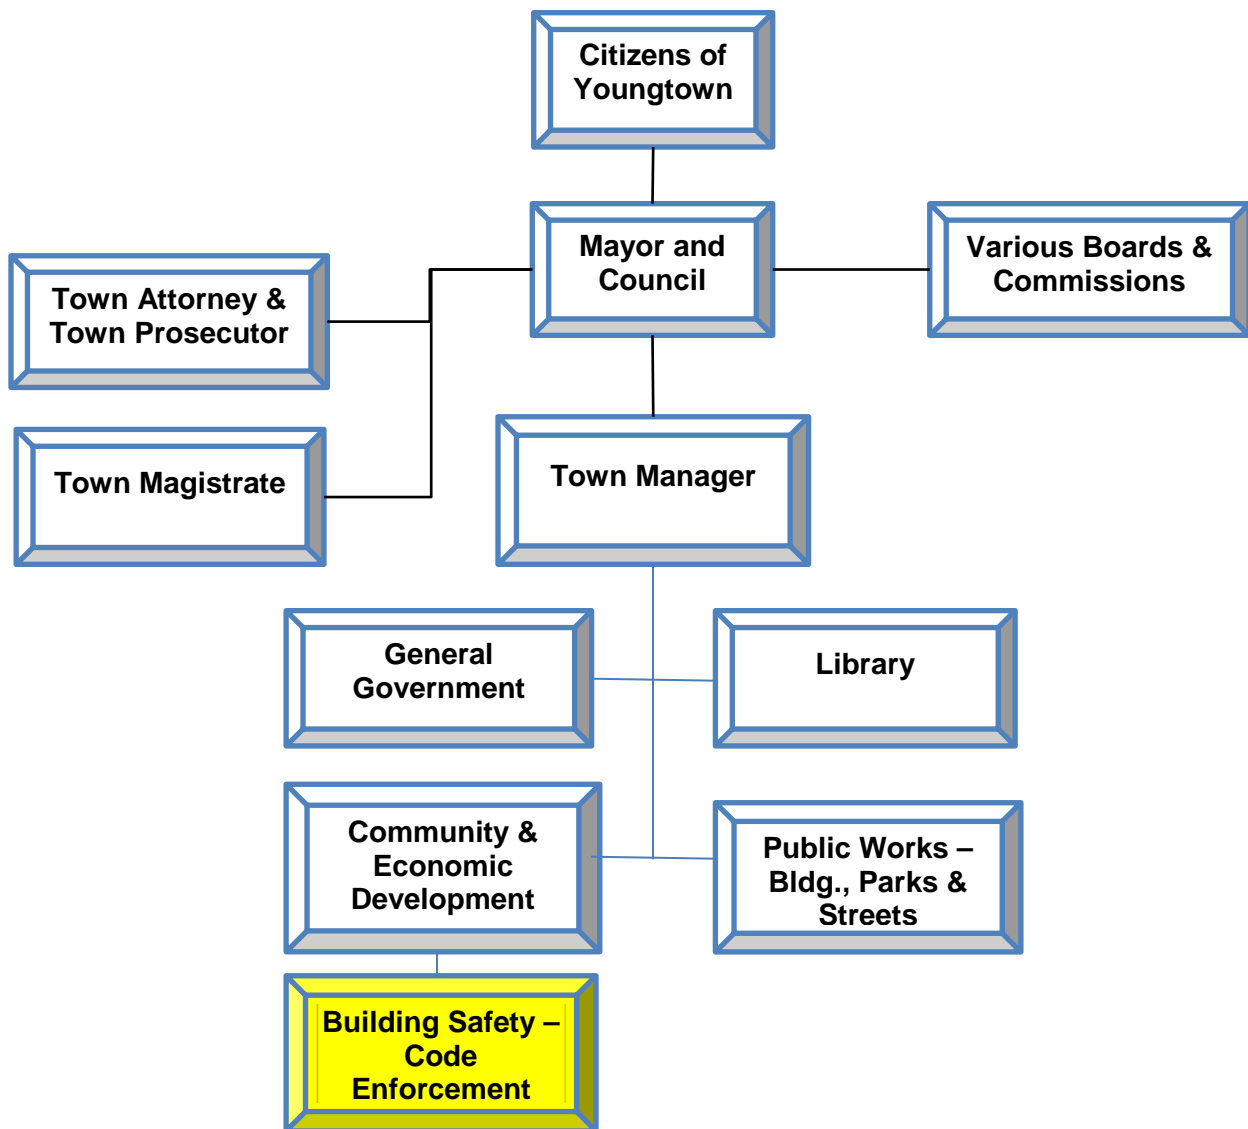

Annual Budget  
2018-19

**Youngtown Organizational Chart**

The Building Safety Department (formerly Public Safety Department) is managed by the Community/Economic Development Manager. The Community Development/Economic Manager reports to the Town Manager. There are also 2 Code Enforcement positions in this department.

## Code Enforcement Division

The Code Enforcement Division team is dedicated to enhancing the quality of life for the residents of Youngtown.

We protect the public health, safety and welfare through the enforcement of local laws and regulations adopted by the Youngtown Town Council which serve as community standards. Ensuring compliance with these standards we help to reduce vandalism, deter crime, maintain property values, and prevent deterioration of neighborhoods.

We actively work with citizens and neighborhood groups to provide public education on Town Code requirements.

### Mission Statement

It is the mission of the Code Enforcement Division to provide for the health, wellbeing and general quality of the life of residents on properties within the Town of Youngtown through enforcement of relevant Town Codes and provisions of the Zoning Ordinance and International Property Maintenance Code.

## Grant Booklet

Annual Budget  
2018-19

**Youngtown Organizational Chart**

Grant funds are special revenue and cannot be spent until grant funds are authorized and approved by Council. What Department or Division manages the grant depends on the type of grant awarded. For example, a street grant would be administered by the Public Works Department where an economic development grant would be managed by the Community Development Manager.
